

LEXINGTON CATHOLIC

HIGH SCHOOL

Dear Parents:

Each year, Lexington Catholic is committed to providing the most affordable faith-based education possible as we develop the Minds, Spirit and Body of our students. We are equally committed to maintaining a tuition assistance program that assists your family and others at the highest level possible.

Essential to keeping this commitment is our ability to generate additional revenue through our Hoagies sales, Mid-Knight Stakes event and raffle, as well as our annual fund. Without the funds derived annually from these programs, tuition costs at Lexington Catholic would be substantially higher for each student in order for us to meet our budget needs.

Beginning in the 2012-13 school year, we are implementing a new component with our tuition assistance program in which each participating family is required to sell a minimum of \$400 worth of hoagies and Mid-Knight Stakes raffle tickets for each student supported during the 2012-13 school year.

If a family is unwilling to meet this requirement, it will be disqualified from participation in Lexington Catholic's tuition assistance program. If a family falls short of its \$400 per student commitment, the balance of the short-fall will be deducted from the final tuition assistance credit due to the family and thus become a required payment by the family directly to the school.

We have established a process through our Business Office that will manage this program with the strictest level of confidentiality for each of our participating families.

If you have any questions or need more information, please contact David Gadberry in our Business Office at 277-7183, ext. 254.
