"We were moved that a young, foreign girl could embrace us as her American family and find a permanent place in our hearts. Nina paid us the ultimate compliment by showing us the America we thought we knew through fresh eyes."

She likes to read, listen to music, pop and classical, plays the flute/recorder and has played in an orchestra. Her hobbies are drawing, painting and singing. She enjoys visiting museums. Her focus is in the arts and she may become a designer some day. Sherry's interviewer stated that "Sherry impressed me with her sunshine and happy character." Sherry says she will attend church with her host family, can adjust to pets in the home (with the exception of snakes and spiders) and enjoys collecting and handicrafts. Sherry describes herself as outgoing and friendly. **Sherry is prepared to provide her host family with a monthly stipend to cover her meals and school transportation etc.**

Marina is from Spain. She is age 15, will be in the 9th grade and is an A student. Marina has no pets and is afraid of dogs. She has younger sister and brother and likes small children. Marina spends a lot of her free time playing tennis. She loves riding her bicycle and meeting her friends. She enjoys doing crafts such as masks, beaded bracelets, figures with fimo, paint t-shirts etc. **Marina hopes to find a volunteer host family that she could attend church with. She is Catholic.**

Lucas is age 16 and from Germany. He is an A student and will be entering the 11th grade. Lucas enjoys doing sports, shopping, visiting the forest and playing games on the computer with his friends. He has played field hockey for 6 years. He enjoys skiing, soccer, handball. Lucas has a dog and a cat and goes with his mom to a horse farm sometimes. Even though he is an only child, he plays with the kids in his neighborhood and volunteers at his protestant church two times a week working with children. He wants to learn about the "America way of life". We are looking for a **volunteer host family** for Lucas.
