## "High Marks"

In honor of Danny Haney, we are raising money to launch a new program called "High Marks." This is a free, in-school, tutoring program for any student in need of additional academic support. Students will have daily access to teachers in a variety of subject areas who can help them achieve their academic goals. All funds will go to staffing this position and providing the additional training and resources to best meet the needs of our students.

We hope you will find this an important initiative and a meaningful way to honor Danny and all that he has done for LCHS!
