

Lexington Catholic High School

International Student Tuition Rate

Registration fee: \$175 by March 15, 2011 After March 15, 2011: \$275

Tuition

Tuition for the 2011-2012 school year is all inclusive. It is our hope that students and their parents will appreciate one fee that may be paid by check or electronic wire at the beginning of the school year. This will reduce the monthly need for out-of-pocket fees. Tuition includes all book, technology, lab, locker, graduation, AP tests, and student activity fees. There will also be free tutoring offered after school in multiple subject areas. Activity fees cover student admission to home athletic and fine arts events. Additionally, tuition fees also cover the costs of a select number of events specifically planned for our international student community as part of our Internationals Students Program at Lexington Catholic. The purpose of the Lexington Catholic International Students Program is to provide additional support to each student that will allow for the most enjoyable and successful experience possible. The Director of International Students will serve as a resource to each student on a daily basis, if needed. This program will also include onsite activities, regional trips, and additional academic support. It also includes oversight of I-20 documents and timelines and DSO reports.

Tuition for the 2011-2012 School Year: \$11,250

For your convenience, tuition and registration fees may be paid by check or electronic transfer.

Please contact Charlene Howard at choward@lexingtoncatholic.com or

(859) 277-7183 ext. 237 to arrange an electronic transfer.
